
Medical Intervention and Offender Well-Being

This course is open to all sworn or non-sworn juvenile detention/probation staff, medical first responders, or related public service agency personnel.

Presented through a combination of classroom lecture and interactive presentations, this 2-hour course will provide attendees with principles and techniques that will help them interact with juvenile offenders in both custody and public settings. Legal duties regarding supervision will be discussed with an emphasis on recognition of medical emergencies and proper response to them. Topics covered will include:

Deliberate Indifference	Estelle Decision
Constitutional Law	Idaho Codes
Medical emergencies	Likely symptoms encountered
Suicidal inmates	Emergency transportation

PRESENTED BY: *Chad Sarmiento ICRMP Law Enforcement Risk Manager*
